

LOCKDOWN

Can you imagine how excited I am to play with your mind, body and SEX for the full month of LocTober?

Having you HARD, HORNY, and AROUSED, yet powerless to relieve your predicament, is a sensation every true submissive should savor. It's a vicious circle that feeds you sexual need to submit and it is going to be an experience you will never forget, something to relive in your private fantasies and in your stickiest of wet dreams whenever your thoughts linger on Me and O/our special relationship.

With this LOCKDOWN, you will get a taste of the true pleasures of being teased and denied by a sexy powerful Domina. The sign up includes an initial audio session (DRAINED) to prepare your mind and body for this very erotic LOCKDOWN and over the duration of your lockdown will include ALL NEW teaser sessions. This is going to be fun, My chastised slave, your opportunity to surrender to the true pleasures of submission in honor and reverence to me, and My wishes.

Full instructions will be included with each weekly session.

Please note, this sign-up is ONLY the beginning. The actual LOCKDOWN will commence on Tuesday, October 1st, and you should watch your emails, and My blog, for further details. you will be MINE and through your SEX I will show you how powerless you really are to My authority...
